Dealer Showroom Display Program

We are delighted to present an exciting offer for our authorized dealers. Included is a choice of two showroom display programs, employed retroactively from November 1, 2020.

OPTION 1:

Twice a year, a dealer can purchase a demo camera system at a 50% discount on the then-current retail price. The camera will remain on display in working order in the dealer's showroom for six months; after six months, the dealer can sell the system. The standard warranty will then become effective.

Standard payment and freight terms apply.

OPTION 2:

Twice a year, a dealer can purchase a demo camera system at the then-current retail price with 90-day terms. The camera will remain on display in working order in the dealer's showroom for 90 days. At the end of the demo period, the dealer can elect to return the camera in its original packaging with all accessories, cables and receive a full credit or re-purchase the camera at a dealer discounted rate.

Standard discount, payment, and freight terms apply.

Camera Evaluation Program

Omnisense Systems USA Inc. presents a try-before-you-buy offer with our Camera Evaluation program.

This exclusive program is available to selected dealers, builders, and integrators who wish to evaluate the Ulysses camera line for purchase consideration and system integration.

PROGRAM:

Omnisense Systems will bill the customer for the camera's retail price with 30-day terms. A credit will be issued to the customer for the full amount on the camera's return in its original packing with all accessories and cables. If the customer wants to retain the camera, we will issue an invoice for the appropriately discounted price with terms of "DUE ON RECEIPT."

OMSUSA will provide the shipping of the camera to the customer. The customer is required to pay return shipping if necessary.

The offer is subject to expire without prior notice. Manufacturers' representatives must use sound judgment when selecting customers for this program. Representatives should present selected customers to us for approval.

We hope this program will benefit everyone by generating interest in our superior offering.

Thank you

Professional Boat Program

Omnisense Systems USA Inc. is excited to announce its Professional Boat Program's details, employed retroactively from February 10, 2021.

This exclusive program is available to select members of professional fishing teams or other vessels with recognized public/media exposure in sport fishing activities. Selected members can purchase Omnisense Systems USA Inc. products for outfitting on board their vessel at a substantial discount if they meet the following criteria:

1. Teams or vessels must be publicly recognized either in official tournaments, be part of a factory team, or have a significant social media following (a regional or national following).
2. Vessel operators must do their best to promote the Omnisense Systems USA Inc. products to the best of their ability.
3. Vessels and or teams must provide pictures and or videos utilizing the system and allow Omnisense Systems USA Inc. to incorporate these images into its marketing as it deems appropriate.

Omnisense Systems USA Inc. will provide cameras and accessories at a 30% discount off the product's then retail price.

Terms are CC with the order unless otherwise agreed upon, FOB Fort Lauderdale.

Manufacturers' representatives must use sound judgment when selecting customers for this program. Representatives should present selected customers to us for approval.

We hope you find this program beneficial in our efforts to increase market awareness of the Omnisense Systems USA Inc. brand.

Warranty Policy

For Omnisense Systems USA Inc. (OMSUSA)

This policy covers the repair and or replacement of Omnisense Systems USA Inc. cameras and related components sold through Omnisense Systems USA Inc.

Term: 2-year parts and labor warranty.

- From the first date of initial system installation, if a camera, controllers, and associated system components sold by OMSUSA and installed under the manufacturer's instructions are defective, we will replace them with like parts at no cost to the customer.
- We will reimburse the authorized OMSUSA installing dealer for up to two (2) hours of labor at the rate of \$125.00 per hour. We will refund the customer for up to two (2) hours of travel at the rate of \$75.00 per hour and up to 50 miles at the current IRS reimbursement rate.
- If the customer utilizes the RMA procedures established by OMSUSA, we will cover the product's transportation to and from the OMSUSA authorized service center.
- Issues arising from improper installation, setup or physical abuse are not covered.
- We will provide overnight freight for defective products within the first six months, 2nd day freight through the first year, and 3-day freight for year two. And we will provide return shipping labels for the defective system components' return.
- Warranty reimbursement will be in the form of a check drawn on a US bank, payable in US dollars. Omnisense Systems USA Inc. will pay claims within 60 days of receipt.
